LEGACY
OF THE
YEAR

OUR MISSION

Love Serving Autism provides inclusive therapeutic racquet sports instruction for neurodivergent children and adults to enhance communication, motor coordination, life skills, and behavior on and off the courts.

We offer specialized training and education to racquet sports professionals, teachers, certified therapists, and volunteers seeking adaptive certification.

MEET LISA PUGLIESE-LACROIX

Founder and CEO of LSA

Lisa is a Speech-Language Pathologist in the field of autism and special needs. For 21 years, Lisa has specialized in the evaluation and treatment of children with Autism Spectrum Disorders. A former collegiate tennis player at Duke University and the University of Florida, followed by the WTA tour, Lisa enjoys combining her tennis experience and speech therapy background to teach the sport to children and adults with Autism Spectrum Disorders and Developmental Disabilities.

After working with children for six years as a Program Director for a national non-profit serving the autism community, Lisa was inspired to be able to develop her own local non-profit, Love Serving Autism, a 501(c)(3) organization, in August 2016. Lisa has a Master's Degree in Communication Sciences and Disorders from Florida Atlantic University and is certified by the United States Professional Tennis Association. She is the Chair of the USPTA National Adaptive Task Force and the Chair of the USTA National Adaptive Training and Education subcommittee.

ABOUT THE MATCH POINT GALA

November 14, 2025

The Match Point Gala is an annual fundraising and awareness campaign hosted by Love Serving Autism. Each year, the staff and Board of Directors nominate "Legacy" candidates, and philanthropic leaders in the community, who truly represent the LSA mission with a passion and dedication to help build the community and raise awareness and needed funds for Love Serving Autism. This friendly yet competitive fundraising campaign will begin in April and run through the Match Point Gala. The "Match Point Gala", a dinner gala at the Woodfield Country Club on November 14th, 2025, will feature a three-course dinner, open bar, silent and live auctions, guest speakers, fabulous entertainment, and award presentation. Our Racquet Sports Mission Clinic for the gala will be held before the gala to highlight our program and celebrate inclusion in the community. All Legacy candidates/teams will be honored and recognized the night of the Match Point Gala, and one will be crowned the 2025 Love Serving Autism LEGACY of the YEAR winner. Love Serving Autism aims to support neurodivergent individuals in developing communication, life skills, and independence on and off the courts. Funding from the Match Point Gala will also support our goal to establish an "INTERACT Facility", which will serve as a training and program facility providing inclusive indoor therapeutic racquet sports instruction.

OUR MISSION

Love Serving Autism provides inclusive therapeutic racquet sports instruction for neurodivergent children and adults to enhance communication, motor coordination, life skills, and behavior on and off the courts. We offer specialized training and education to racquet sports professionals, teachers, certified therapists, and volunteers seeking adaptive certification.

Our sponsors help raise funds so that we can help every family in need.

WHY THE MATCH POINT GALA?

We are raising funds to achieve our mission, further the growth and sustainability of Love Serving Autism, and ultimately reach our long-term goals, like the "INTERACT Facility" shown above. This facility aims to train racquet sports professionals, teachers, therapists, and volunteers for an adaptive certification and offer therapeutic programming for neurodivergent youth and adults.

- Advanced fitness, physical and life skills, sports, inclusion & well-being.
- Serve 2,000 participants in person & 400 virtually per year.
- Train & certify 100 racquet sports professionals annually.
- The facility will provide for year-round therapeutic tennis & pickleball classes; tournaments; & professional development.

Our sponsors turn this vision into a reality.
